Appeal Reason	when we responded to the review request, we inadvertently duplicated one of the attached invoice copy files and the file for this invoice was left off. We did not hear from the reviewer with regard to the error and assumed that everything was fine until we received the disbursement notice of zero payment. Once we received the notice, we went back to the original email to the reviewer and noticed our administrative mistake. Since this was a clerical error, we are asking that the attached copy of documents be considered and the invoice be funded in full.
Proceeding No.	02-6 (CC Docket No. 02-6)

Appeal Explanation:

We have appealed our situation with USAC and they have approved our Appeal request. We are now asking for a Waiver of program rules to allow us to invoice for the amount funded and appealed for outside of the funding year deadlines. The result of the appeal notice is included in the body of this letter and also in electronic form.
